PLEASE READ AND SIGN

I have read and I understand Atlanta Country Day School's summer school policies. I have obtained permission from my child's current school, and I understand the tuition is non-refundable during summer school. Payment is due on or before the first day of each session. Transcripts will not be issued for students with outstanding financial obligations.

I understand daily attendance is required for my child to earn credit for his or her classes and that students who miss in excess of ten percent of seat time place their credits in jeopardy. I understand the Atlanta Country Day School reserves the right to require makeup time for absences or tardies and that this makeup time may be billed at a tutorial rate.
